

per student, students, section, or group of students.

This is used when, in cases where a student, multiple students or section of students, need a different Due date or duration of time to complete an Assignment or Quiz.

This is to assign more time for the duration of a quiz for ODA requirements.

This will create a new box.

Ø In the second box, click in the box under .

Clicking in the box will pull-up a list of your students, or sections of students.

If you have many students, begin typing the student's first name in the box. This will go only to the web page.

Ø Add the _____ and/or _____ .

Ø Click to _____ or _____
