- . Are bid sets permitted to be complete sheets, or do they have to be complete, with their respective addendum sheets and sheets?

**Disregard sheets and sheets do not use these sheets.**

- . Regarding delivery of signed copies. Are sheets that are difficult to read/see being provided out as hard copies. Does the University provide/have copies of the E-Procurement System to be included with the physical submission of an E-Procurement bid and delivered to the location for a photo? Are signed copies also provided with copies of the system submission in lieu of physical delivery of paper copies?

**E-Procurement should be delivered to the location.**
